

SECTION 1 Product & Supplier Identification

Product Name	Graphite Charcoal Watercolours by Zart
Other Names	None
Product Code	PTZ330
Barcode Number	
Recommended Use	Watercolours with graphite undertones, to be used with a wet brush.
Restrictions on Use	None known
Company	Zart Art
ABN	24 621 120 321
Address	14-17 Dansu Court, Hallam, VIC 3803
Telephone	+61 3 9890 1867
Supplier Code	
Emergency Phone Number	Australia – 13 11 26 (Poisons Information Centre)

SECTION 2 Hazards Identification

Classification of the hazardous chemical

Physical hazards	Not classified
Health hazards	Not classified
Environmental hazards	Not classified

Label elements, including precautionary statements

Hazard symbols	None
Signal word	None
Hazard Statements	The mixture does not meet the criteria for classification.

Precautionary statements

Prevention	Observe good industrial hygiene practices.
Response	Wash hands after use.
Storage	Store in well ventilated place. Keep container tightly closed.
Disposal	Dispose of contents and container in accordance with local regulations.

SECTION 3 Ingredient Composition / Information

<u>Chemical Entity</u>	<u>CAS No.</u>	<u>Proportion (to 100%)</u>
Non-hazardous components		to 100 %

SECTION 4 First Aid Measures

Description of necessary first aid measures

Eye	Irrigate with copious quantities of water for atleast 15 minutes, lifting eyelids occasionally. Seek medical attention.
Skin	Remove any contaminated clothing and wash off with soap and water. If any symptoms arise seek medical attention.
Inhalation	Move to a well-ventilated area. Seek medical attention if symptoms persist.
Swallowed	Rinse mouth with water. Do not induce vomiting. Seek medical attention.

Personal protection for first aid responders

Ensure that medical personnel are aware of the material(s) involved and take precautions to protect themselves.

Symptoms caused by exposure

Direct contact with skin may cause minor irritation.

Medical attention and special treatment

Provide general supportive measures and seek medical attention if symptoms persist.

SECTION 5 **Fire Fighting Measures**

Extinguishing equipment

Suitable Water, fog, foam, dry chemical powder, carbon dioxide. When choosing extinguishing equipment be aware of any potential hazard(s), example electrical.

Unsuitable Anything that could spread the fire and or risk the safety of surrounding personnel.

Specific hazards arising from the chemical

Avoid dust formation. Fine dust dispersed in air may ignite. If engulfed in fire, gases hazardous to health maybe formed.

Specific protective equipment and precautions for fire fighters

Self-contained breathing apparatus (SCBA) and full protective clothing (PPE) must be worn in case of fire.

Hazchem Code Not available.

General fire hazards No unusual fire or explosion hazards known.

SECTION 6 **Accidental Release Measures**

Personal precautions, protective equipment and emergency procedures

For non-emergency personnel

Keep unnecessary personnel away and upwind of spill. Wear appropriate protective equipment during clean up. Prevent contamination to drains / water ways. Contact Local authorities if spill cannot be contained. Place in clearly labelled containers for disposal in accordance with local regulations. Heed advice under Section 8 "Personal Protection".

For emergency responders

Keep unnecessary people away. Heed advice under Section 8 "Personal Protection".

Environmental precautions

Avoid discharge to drains, water ways or onto the ground.

Methods and materials for containment and clean up

Large spills – If safe to do so, collect trying not to create dust and place in properly labelled containers for disposal in accordance with local regulations.

Small spills – Clean up with brush and shovel, trying to keep dust to a minimum.

SECTION 7 **Handling & Storage**

Precautions for safe handling

Wear appropriate personal protective equipment. Observe good industrial hygiene practices. Avoid breathing dust and always wash hands after handling the product.

Conditions for safe storage, including any incompatibilities

Store in a cool, dry location in a closed container. Store in clearly labelled containers.

SECTION 8 **Exposure Controls / Personal Protection**

Occupational exposure limits (OEL's)

Carbon Black	1333-86-4	10 mg/m ³ (TWA)
--------------	-----------	----------------------------

Biological limit values

No biological exposure values noted for this product.

Appropriate engineering controls

Use in a well-ventilated area with local exhaust ventilation. Provide an eyewash station.

Individual protection measures, for example personal protective equipment (PPE)
Skin protection

Wear impervious gloves.

Hygiene measures

Use and maintain good industrial hygiene. Avoid breathing dust and always wash hands after use. Do not eat, smoke or drink when handling this product.

SECTION 9
Physical & Chemical Properties

Appearance	Solid, with slight colour variations
Odour	None
Odour threshold	Not available
pH	Not available
Melt point / freeze point	Not available
Boiling point	Not available
Autoignition temp	Not available
Flammability	Not available
Vapour Pressure	Not available
Vapour Density	Not available
Relative density	Not available
Solubility in water	Not available
Specific Gravity	Not available
Evaporation rate	Not available

SECTION 10
Stability & Reactivity

Reactivity Product is considered non-reactive under normal conditions of use, storage and transport.

Chemical stability Product is considered stable under normal conditions of use, storage and transport.

Possibility of hazardous reactions

No hazardous reaction known under normal use.

Conditions to avoid No specific data available for this product.

Incompatible materials

Oxidising agents.

Hazardous decomposition

In a fire product may give rise to the release of obnoxious fumes including oxides of carbon.

SECTION 11
Toxicological Information

Information on possible routes of exposure

Inhalation	Unlikely, but minor irritation may be expected in some individuals.
Skin contact	Minor irritation may be expected in some individuals.
Eye contact	Unlikely, but minor irritation may be expected in some individuals.
Ingestion	Unlikely, but minor irritation may be expected in some individuals.

Acute No specific data available.

Skin corrosion / irritation

Based on classification principles, the classification criteria are not met.

Serious eye damage / irritation

Based on classification principles, the classification criteria are not met.

Respiratory or skin sensitisation

Based on classification principles, the classification criteria are not met.

Carcinogenicity

No data available.

Aspiration hazard

Based on classification principles, the classification criteria are not met.

Reproductive toxicity

Based on classification principles, the classification criteria are not met.

Additional Information

This product does NOT contain,
egg, dairy, soy, seafood, shellfish, wheat or peanut products, by-products or derivatives.

SECTION 12
Ecological Information

Ecotoxicity

No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Sufficient measures should be taken to retain the water used in extinguishing any fires involving this product. Dispose of contaminant in accordance with local landfill or incineration regulations.

Persistence and degradability

No specific data available.

Bio accumulative potential

No specific data available.

Mobility in soil

No specific data available.

SECTION 13
Disposal Considerations

Disposal methods

Dispose of this product and any water contaminated with this product in accordance with local regulations.

Contaminated packaging

The container in which the product is/was contained should also be disposed of in accordance with local regulations.

SECTION 14
Transport Information

ADG

Not regulated as dangerous goods.

IATA

Not regulated as dangerous goods for IATA

IMDG

Not regulated as dangerous goods.

Special Precautions

No special precautions or requirements for transport

SECTION 15
Regulatory Information

Safety, health and environmental regulations

This Safety Data Sheet was prepared in accordance with Safe Work Australia's Code of Practice for the Preparation of Safety Data Sheets for Hazardous Chemicals.

Standard for the Uniform Scheduling of Medicines and Poisons (SUSMP)

Not allocated

AICS

All components are listed in the Australian Inventory of Chemical Substances.

SECTION 16

Other Information

Reason for Revision Create SDS in accordance with SWA and GHS requirements.

SWA	Safe Work Australia
ADG	Australian Dangerous Goods Code
IATA	International Air Transport Association
IMDG	International Maritime Dangerous Goods Code
GHS	Globally Harmonised System of classification and labelling of chemicals
